RE: Amended April Quarterly Report (01/01/2009 - 03/31/2009), Filed on 5/17/2011

Dear Mr. Holly,

In response to your letter dated August 29th, 2011:

The amendment filed was a result of a self-initiated review of all transactions. This was conducted at the Committees expense to ensure full compliance with laws and regulations. The committee anticipates no further amendments.

The decrease in contributions occurred because the campaign committee reported credit card contributions that were originally made in December of 2008 in January of 2009.

Please contact me with any additional questions.

Sincerely,

Daniel Puhl
Campaign Treasurer
